

Regional Meetings

Palatine Sister Cities welcomes sister cities from Illinois, Iowa, Kansas, Wisconsin, and Missouri – for the first Sister Cities meeting of the Upper Midwest Region.

The regional meetings will encompass the annual Illinois convention. A specific time on Saturday will be set aside for each state to meet on its own, to discuss and make its own goals, and to review their state's progress.

All are welcome to attend the workshops, but we ask that everyone register in advance.

You are warmly invited to attend our Friday night dinner as well – it's a great time to meet other Sister Cities organizers and members.
